

GLOBALSTAR Phones and Accessories

GSP-1700 Satellite Phone

Globalstar's smallest, lightest satellite phone. Featuring optional accessories such as:

GIK-1700 INSTALLATION KIT

For hands free operation in your vehicle or vessel, choose the GIK-1700. A safer and convenient way to make calls while charging the phone battery.

GAC-1700 AUXILIARY BATTERY CHARGER

Use it to externally charge a battery for the Globalstar GSP-1700, and provide power to the phone directly. Requires use of the Globalstar GVC-1700 Vehicle Charger (sold separately) or GWC-1700 Wall Charger.

GPB-1700 LITHIUM-ION BATTERY

Delivers ample power to the GSP-1700 satellite phone. Provides 4 hours talk time, 36 hours standby time. High-capacity Lithium-ion technology with integrated circuitry protects against short circuits and overcharging.

GVC-1700 VEHICLE CHARGER

Allows for operation of the GSP-1700 satellite phone while charging the battery. Fits standard automotive power sockets. Includes high-grade 6-foot coil cord. ROHS and WEEE compliant.

CARRYING CASE

Protect your GSP-1700 satellite phone with either our Ruggedized Leather or Lightweight Nylon Case. Phone can be answered while still in the case.

GDK-1700 DATA KIT

Connects the GSP-1700 to any standard USB A port for easy access to the Internet, email or private data networks. ROHS and WEEE compliant.

GSP-1600 Satellite Phone

The rugged, reliable performer from Globalstar, trusted by users in remote locations everywhere. Accessories include:

GCK-1410 VEHICLE KIT

Make it easier and safer to make calls from your vehicle. The GCK-1410 provides you with hands-free operation and mobile battery charging for your GSP-1600 phone. Or choose the TCK-1410 (not shown), which adds a carrying case so that you can easily transport the vehicle kit components to and from different locations.

GSP-1600 DATA KIT

The Globalstar Data Cable connects the GSP-1600 phone to a computer's RS232 port, laptop or PDA (Personal Digital Assistant).

CONVENIENT EXTRAS

- Lithium-Ion Battery Pack
- North American Wall Charger
- Universal Wall Charger
- Cigarette Lighter Adapter/Charger
- Protective Leather Case

GSP-2900 Fixed Phone

Make satellite calls from inside buildings where traditional telephone service is not available. The GSP-2900 provides both voice and data services for maximum productivity in remote locations.

FAU-200 Fixed Phone

Offers the same great benefits as the GSP-2900, but in a voice-only format. Can be mounted on any convenient location with a clear view of the sky, to deliver quality voice service inside buildings.

Discover how far the Globalstar Satellite Phone can take you. Visit your Authorized Globalstar Dealer, go to globalstar.ca or call **1.888.755.9647**.

*From anywhere in Canada, U.S., and Caribbean to Canada, U.S., and Puerto Rico. **Limited Time Offer expires December 31, 2006. Airtime must be used by January 31, 2007. †Pooling is only available when the end users are on the same Enterprise plans and have the same specific account number. Customers will automatically be renewed on Enterprise plans on the anniversary date; unless the customer otherwise notifies Globalstar. ††Burst data pricing applies to outbound Direct Internet (#777) data calls originating from Canada, U.S., Caribbean, and other select countries. Please call Globalstar Customer Care at 1.877.728.7466 or visit our website for a complete listing of these countries. NOTE: The FAU-200 is a voice only product. Data services and call forwarding are currently not available with the FAU-200. Plans are based on a 12-month contract. Early cancellation of the contract will result in a cancellation fee. Bundled voice and data minutes are applicable to Canada, U.S., and selected Caribbean countries in-country usage. Voice and Dial-Up data airtime billing is based on per minute rounding. All Canadian calls include terminated long distance in Canada, U.S., and selected Caribbean countries. International roaming charges apply to calls placed outside Canada, U.S., & selected Caribbean countries. International long distance charges may vary depending on foreign taxes and tariffs from individual countries. Plans include Call Forwarding Access (usage is billed at a rate of \$0.20 per minute, not included in bundled minutes). Please see End user Terms and Conditions for all details concerning subscription to the Globalstar system and Globalstar service. All price plans are subject to all Canadian local, provincial and federal taxes. Globalstar reserves the right to make changes to pricing, coverage and price plans at any time without notice. Some conditions apply. Rates for minutes based on individual price plan. Coverage may vary. Specifications and information subject to change without notice. Ask your local Globalstar Authorized Dealer for complete pricing and coverage information. Or see complete details at www.globalstar.ca. 911 Emergency Services Terms & Conditions Emergency Referral Service: Unlike cellular or standard telephone service, Globalstar Canada Satellite Co. (GCSC) is under no obligation to provide any type of emergency referral service, such as 911 service, in connection with the Globalstar Service. Should a customer dial 911, a live operator will assist, and you should be prepared to provide your location and any other information that will be useful to the operator. Certain restrictions and limitations apply to this service. Please see End User Terms and Conditions section 2, part (g) for complete details. Globalstar Canada Satellite Co. © 2006.
